Pollinator Garden Workshop	A hands-on educational program focused on spreading awareness about the importance of incorporating native plants into pollinator gardens. Participants will learn about native plants, their relationship with pollinators, and how to start their own pollinator garden to support native wildlife. This event is hosted at the Woodlands Conservancy trail.	4/21/2018	10:00:00 AM	449 F. Edward Hebert Road	Belle Chasse	LA	70037	http://www.woodlandsconservancy.org/projects-events/	
Bugs & Breads	Celebrate Pollinator Week with us on an evening walk through the prairie followed by refreshments and a presentation. The Xerces Society's Rae Powers will discuss prairie plants and their pollinators on a relaxed hike along the walking trails. Back in the visitor center, enjoy a local brew and chips paired with a presentation highlighting unique plant and pollinator relationships found in Nebraska. \$10/person. Rae Powers is a biologist with The Xerces Society and the Natural Resources Conservation Service in Lincoln, Nebraska. Rae works with farmers, agencies, and conservation groups to promote pollinator and other beneficial insects on farms. She provides technical support across Nebraska and South Dakota focusing on habitat needs, plant selection, site preparation, and management of habitat.	6/20/2018	6:30:00 PM	Spring Creek Prairie Audubon Center, 11700 SW 100th St	Denton	NE	68339	4027972301	
Starting Your Native Pollinator Garden Bee Something	Are you feeling overwhelmed on how to choose, find, and place native plants in your landscape? Benjamin Vogt will explore various print and online resources from A to Z to help determine what are the best flowers for you, and how to research them so you know you're making the most sustainable and low maintenance choices. He will end by designing a small pollinator garden step by step, as well as explore some fundamental principles to a four-season pollinator garden that's beautiful to you and wildlife. Ben will have his new book, A New Garden Ethic, available for purchase and signing. Beverages & snacks available. Benjamin Vogt speaks nationally on sustainable garden design for wildlife. He owns Monarch Gardens LLC, a prairie garden design firm, and has written over 200 articles for Houzz.com. He is the author of A New Garden Ethic: Cultivating Defiant Compassion for an Uncertain Future, and lives in Lincoln, Nebraska, where he has 4,500' of gardens on a small suburban lot. \$10/person, register at scp@audubon.org or 402-797-2301.	6/18/2018	7:00:00 PM	Spring Creek Prairie Audubon Center, 11700 SW 100th St	Denton	NE	68339	4027972301	
Stewardship Workday at Barton Nature Area	Planting more native plants. Pollinator Week is an international celebration of bees, birds, butterflies, bats and beetles! Barton Nature Area is one of the top spots to see butterfly Ann Arbor. Help us protect their habitat by pulling invasive species in the prairie. Meet at the Barton Dam parking lot just north of Bird Road on Huron River Drive. Please wear long pants and closed-toe shoes. All participants must complete a release form, and all minors should be accompanied by a guardian. Tools, snacks, and know-how provided.	6/23/2018	9:00:00 AM	1010 W. Huron River Dr.	Ann Arbor	MI	48105	check our website at www.a2gov.org/nap	
Stewardship Workday at Kuebler Langford Nature Area	Love butterflies? This nature area is home to 35 species! Join us during Pollinator Week to maintain butterfly habitat by pulling non-native species around the park. Meet at the park entrance on Beechwood Drive, north of Sunset Road. Please wear long pants and closed-toe shoes. All participants must complete a release form, and all minors should be accompanied by a guardian. Tools, snacks, and know-how provided.	6/23/2018	1:00:00 PM	640 Beechwood Drive	Ann Arbor	MI	48103	visit our website at www.a2gov.org/nap	
Stewardship Workday at Bluffs Nature Area	This once-disturbed site is now home to a prairie and many butterflies and insects. Celebrate Pollinator Week with NAP by pulling invasive species that threaten this precious pollinator habitat. Meet at the entrance on Sunset Road, near Wildt Street. Please wear long pants and closed-toe shoes. All participants must complete a release form, and all minors should be accompanied by a guardian. Tools, snacks, and know-how provided.	6/24/2018	9:00:00 AM	236 Sunset Road	Ann Arbor	MI	48105	visit our website, www.a2gov.org/nap	
Stewardship Workday at Olson Park	Celebrate Pollinator Week by helping butterflies and other insect pollinators! This park is home to the city's largest population of Wild Indigo Duskyw butterflies, a rare species in our area. Help improve habitat for pollinators by pulling non-native species in the prairie. Meet us at the entrance on Dhu Varren Road, just east of Pontiac Trail. Please wear long pants and closed-toe shoes. All participants must complete a release form, and all minors should be accompanied by a guardian. Tools, snacks, and know-how provided.	6/24/2018	1:00:00 PM	1505 Dhu Varren Road	Ann Arbor	MI	48105	visit our website at www.a2gov.org/nap	
2nd Annual POLLINATION Festival	INCREDIBLE EDIBLE COMMUNITY GARDEN to distribute grants throughout SoCal.	6/2/2018	9:00:00 AM	Chino Basin Water Conservation District,4594 San Bernardino St	Montclair	CA	91763	http://www.beerooted.com/pollination-festival-main-page.html
