Subject: Complete - Aug. 15 at 2-3 PM (MDT): UI Extension PSEP Summer Recertification Webinar

Thank you for participating in the UI Extension Pesticide Safety Education Summer Recertification Webinar on Aug. 15, 2023.

This is a courtesy email stating that **you have fulfilled** the recertification requirements and will receive 1-Idaho pesticide credit from the Idaho State Department of Agriculture (ISDA). ISDA will distribute your credit email. It will be sent from an email ending in idaho.isda.gov.

When the credit email arrives, keep it with your records (including this email as backup). You will submit a copy of the credit email with your ISDA pesticide license renewal application.

Best,
The Pest Management Team
