Fish Friendly Farming Certification and Farm Plan Privacy Agreement

Site Name Covrsey Graves Vineyard

Grower acknowledges that the Farm Plan prepared using Fish Friendly Farming (FFF) methodology constitute proprietary information and a "trade secret" of FFF. A trade secret is defined in the California Uniform Trade Secrets Act (UTSA) as "information, including a formula, pattern, compilation, program, device, method, technique, or process, that: (1) derives independent economic value from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use; and (2) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy."

Grower agrees that:

- (a) Grower shall not post the FFF Farm Plan to any public website;
- (b) Grower shall not disclose the FFF Farm Plan to any third party other than Grower's affiliates, employees, agents, and others with a role in managing the property or implementing the Farm Plan;
- (c) Grower may not use any entity or person other than FFF to verify Grower's compliance with the Farm Plan; and
- (d) Grower shall inform Grower's affiliates, employees, agents, and others with a role in managing the property or implementing the FFF Farm Plan that they are bound to follow the measures above to maintain the FFF Farm Plan as a trade secret of FFF.
- (e) Grower may not use the FFF Farm Plan with any other Waste Discharge Requirement compliance program (California Regional Water Quality Control Board San Francisco Bay Region Order No. R2-2017-0033) or any other sustainability program.
