

2025-26 NAPPC Grantee Reporting Symposium

Bombus and Lepidoptera Grants

Wednesday, May 6 from 10:00 am - 12:00 pm PT / 1:00 pm - 3:00 pm ET

10:00 - 10:03 PT / 1:00 - 1:03 ET		Opening from Shannon Farmer , NAPPC Manager
10:03 - 10:13 PT / 1:03 - 1:13 ET	Imperiled Bombus Grantees	Jess Mullins and Diego de Pedro , Arthropod Museum of Baja California and Center for Scientific Research and Higher Education, "Unraveling the impact of climate and land use change on imperiled bumble bees to identify conservation areas in bi-national biodiversity hotspot"
10:13 - 10:23 PT / 1:13 - 1:23 ET		Georgia Murray , Appalachian Mountain Club, Mountain Pollinator Monitoring: Northeast Alpine Areas as Climate Change Refugia
10:23 - 10:33 PT / 1:23 - 1:33 ET		Nina Sokolov , University of California-Berkely, Quantifying the pathogen community of <i>Bombus occidentalis</i>
10:33 - 10:43 PT / 1:33 - 1:43 ET		Q&A
10:43 - 10:53 PT / 1:43 - 1:53 ET		BREAK
10:53 - 11:03 PT / 1:53 - 2:03 ET	Lepidoptera Grantees	Sophia Mucciolo , Penn State, "Backyard monarch habitat: Designing gardens for Conservation."
11:03 - 11:13 PT / 2:03 - 2:13 ET		Nina Crawford , University of Wyoming, "Balancing Conservation and Management: The Effects of Herbicide and Prescribed Burns on Native Butterfly Communities"
11:13 - 11:23 PT / 2:13 - 2:23 ET		Grace Rooker , Catawba Lands Conservancy, "The Catawba Grasslands Project: Protecting Lepidoptera Populations with Community Engagement"
11:23 - 11:33 PT / 2:23 - 2:33 ET		Addison Copen , Ohio State University, "Assessing the Value of Urban Pollinator Habitats for Moth Larvae in Columbus, Ohio"
11:33 - 11:43 PT / 2:33 - 2:43 ET		Sally Scalera , University of Florida-IFAS Extension Brevard County, "Lepidoptera Garden Habitat Project at the Brevard Discovery Garden"
11:43 - 1:00 PT / 2:43 - 3:00 ET		Q&A and Closing
