California farmers, the time to make a positive impact on your land and support our essential pollinators is NOW! 🌻 The Enhanced Farmland For Pollinators grant program administered by Pollinator Partnership, in collaboration with CAFF, and WFA, aims to create a sustainable and thriving ecosystem on your farm.

Reimbursable Practices:

- ✓ Hedgerows
- ✓ Conservation cover
- ✓ Cover crops
- ✓ Field borders
- ✓ Tree and shrub establishment
- ✓ Wildlife habitat planting
- ✓ Integrated pest management

Through Pollinator Partnership's alliances and expertise, we ensure regionally appropriate species are chosen to support pollinators and soils. Become a participating producer today by clicking the link below to receive more information about how you can get paid to create and maintain pollinator habitat!
