NAPPC Conference

The 23rd Annual NAPPC International Conference is an invitation-only strategic event that brings together the world's preeminent scientists and pollinator experts to discuss current issues affecting pollinators and ways to further pollinator conservation.

October 17-19th, 2023-US EPA

The North American Pollinator Protection Campaign (NAPPC) is a private-public collaborative body that works to promote and protect pollinators. NAPPC is coordinated by Pollinator Partnership, a 501(c)3 non-profit organization.

NAPPC is a growing, collaborative body of more than 170 diverse partners. Respected scientists, researchers, conservationists, government officials and dedicated volunteers are succeeding with major programs to protect pollinators, to raise pollinator-related issues, and to benefit the health of all species – particularly those most threatened.

More information about NAPPC and the 23rd Annual NAPPC international Conference can be found at www.napcc.org.

Pollinator Partnership's Giving Policy

Diversity of funding sources is an essential part of P2's commitment to the spirit of its diversity of stakeholders and the execution of its programs. P2 is committed to seeking funding from a broad spectrum of organizations and individuals whose support will advance P2's goals and objectives. P2 will only accept financial support from donors who accept the following criteria. Funders must recognize and respect P2's mission; funders must understand and accept that they have no right or power to determine the content of P2 programs, opinions, or information materials, nor influence the selection of issues. Funders are aware that contributing to P2 does not bind them to P2 positions nor does it authorize P2 to speak for the contributing organization. Acceptance of a grant does not imply that P2 approves nor endorses the funder's activities or products.
