SCAN

POLLINATOR PARTNERSHIP

Protect their lives. Preserve ours.

Learn about the multiple benefits of integrating pollinator-supporting practices and design a habitat plan to implement on your land!

Time & Location:

- Wednesday, November 13
 - 5:30 pm - 8:00 pm
 - MetroParks Farm: McMahon Hall
- Saturday, November 16
 - 9:00 am - 3:00 pm
 - Fellows Riverside Gardens: Kidston Classroom
- Wednesday, November 20
 - 5:30 pm - 8:00 pm
 - MetroParks Farm: McMahon Hall

Full certification requires two steps:

1. Completion of the in-person course (November 13, 16, AND 20)
2. Completion of one habitat creation action and one education or outreach action
