The Secrets of Bees	<p>A special traveling exhibit! THE SECRETS OF BEES June 1 - September 30, 2019</p> <p>The Secrets of Bees is an informative and interactive exhibit that allows families to learn about the bee population at a time when bees are under serious threat. Through educational videos and hands-on activities, children and adults will discover the many different species of bees and how we can help them continue to coexist in our world.</p> <p>In the exhibit, visitors can study a plexiglass-covered "observation hive" with a video of bees in action and learn about the production of honey by working in a giant bee hive. Children can dress up as actual honeybees and gather pollen, pack pollen into honey comb, clean the hive, and help care for the Queen bee! They can also wear real beekeeper protective gear and work real wooden hives. Beekeepers can then extract the "honey" and "sell" it at a roadside stand</p>	6/22/2019	1:00 PM	230 N Rose St	Kalamazoo	MI	49007	www.kalamazoomuseum.org
Pollinator Party	<p>In honor of Pollinator Week, the Burgess-Shadbush Nature Center is throwing our pollinators a party and you are invited! <p>Bee the Change - Make Pollinators Great Again</p>	<p>June 14th and 15th in Three Lakes, Wisconsin Held in conjunction with National Pollinator Awareness Week, this event is dedicated to supporting our struggling native bee and butterfly populations. Heather Holm, author of "Pollinators of Native Plants" and "Bees: An Identification and Native Plant Forage Guide" will share her deep-rooted knowledge with a presentation and guided pollinator wildflower garden tour. The movie "Hometown Habitat" will be shown. It features inspiring stories of community commitment to conservation landscaping, with an emphasis on incorporating native plants and eliminating harmful invasives. The free event, supported by donations, is cohosted by the Three Lakes Natural Resources Committee, Center for the Arts, Historical Society, and Healing Nature Center, along with the Oneida County Land and Water Conservation Dept. Schedule: Friday June 14th at 6:30 pm, at Three Lakes Center for the Arts • Presentation: "Attracting Bees and Beneficial Insects" by Heather</p>	<p>6/14/2019</p>	<p>00001</p>	<p>1760 Superior Street</p>	<p>Three Lakes</p>	<p>WI</p>	<p>54562</p>
