| The Secrets of Bees | <p>A special traveling exhibit! THE SECRETS OF BEES June 1 - September 30, 2019</p> <p>The Secrets of Bees is an informative and interactive exhibit that allows families to learn about the bee population at a time when bees are under serious threat. Through educational videos and hands-on activities, children and adults will discover the many different species of bees and how we can help them continue to coexist in our world.</p> <p>In the exhibit, visitors can study a plexiglass-covered "observation hive" with a video of bees in action and learn about the production of honey by working in a giant bee hive. Children can dress up as actual honeybees and gather pollen, pack pollen into honey comb, clean the hive, and help care for the Queen bee! They can also wear real beekeeper protective gear and work real wooden hives. Beekeepers can then extract the "honey" and "sell" it at a roadside stand</p> | 6/22/2019 | 1:00 PM | 230 N Rose St | Kalamazoo | MI | 49007 | www.kalamazoomuseum.org |

| Bumblebee Jamboree 2019 | Celebrate National Pollinator Week with family-friendly activities buzzing with fun! The 8th annual Bumblebee Jamboree provides an opportunity for children to better understand the role pollinators play and what each of us can do in our own backyard to protect natural resources. Families are invited to participate in hands-on experiences at this free event that encourages kids to learn about birds, butterflies, bees, beetles, and bats. Children will enjoy pollinator-related crafts, puppet shows, snacks, games, and other interactive activities. They can get close to pollinators by going into the Virginia butterfly safari tents as well as watching enclosed observation beehives. | 6/22/2019 | 10:30 AM | 1000 Spottswood Rd | Richmond | VA | 23220 | Free admission. This event is hosted by the Chesterfield County office of the Virginia Cooperative Extension and Chesterfield County Master Gardeners. For more information, call (804) 751-4401 or visit bit.ly/bbj2019 . |
| Butterflies of Cherokee Marsh | We will observe a variety of butterflies as they take nectar from wildflowers, and learn about their identification, behavior, and lifestyle. Bring binoculars if you have them—close-focusing ones work best; we will have a few extras available. Long pants and a hat are recommended. This is a joint trip of Madison Audubon Society, the Southern Wisconsin Butterfly Association and Friends of Cherokee Marsh. | 43638 | 00000 | 6098 N Sherman Ave | Madison | WI | 53704 | Visit: https://madisonaudubon.org/field-trips/2019/6/22/butterflies-of-cherokee-marsh Email: bmarsicek@madisonaudubon.org Call: 608-255-2473 |
