POLLINATOR WEEK EVENTS 2019										
Event Name	Description	Date	Time	Address	City	State	Zip	More Info		
	Join Crescent Heights Community Garden and cath-earth-sis in the celebration of Pollinator Week! Wear your fave 'bee friendly' costumes to enjoy pollinator learning activities in the park!									
	This family friendly event is open to all, with a suggested donation of \$5 to Bee City Canada, Tree Canada or a conservation group of your choice.							For more information, please contact Catherine Dowdell at garden (at) crescentheightsyyd		
Building Bee Houses	Meet outside the Crescent Heights Community Association Hall by the Community Garden from 1pm to 3pm.	6/22/2019	1:00 PM	1101 2 St NW	Calgary	AB	T2M 2V7	(dot) ca or catherine.dowdell (at) gmail (dot) com		
Pollinator Celebration	On June 19th, 2019, we plan to celebrate Pollinator Week by having a Pollinator Celebration at the University of Calgary community garden. The intention of this event is to educate attendees about the importance of pollinators and how to support and protect pollinators in our community. This event includes a campus BioBlitz, a bee box making workshop, and planting of native pollinator plants in the garden. In addition, we will have experts provide information to attendees about bees and other pollinators through interactive displays following the above activities.		2:30 PM		Calgary	AB	T2N 4V5	Registration Page: https://www.eventbrite.ca/e/pol inator-celebration-june-19th- 230pm-to-730pm-tickets- 60195492338		
	Mandatha anima farmana dhadanala anima farada na sible l Disassar									
Pollinator Party	Meet the micro-farmers that make your food possible! Discover pollinators of all kinds, explore what we can do to support them, and taste the fruits and vegetables made possible by these buggy buddies	6/19/2019	3:00 PM	1320 5 Ave NW	Calgary	AB	T2N 0S2	https://www.facebook.com/eve nts/282919999018619/		
Pollinator Planting	Help local native pollinators and Celebrate National Pollinator Week at two events, June 19th & 22nd. Join Root for Trees, and together, we hope to turn the naturalized area in front of the Terwillegar Recreation Centre into a haven for pollinating insects. Come plant some local wildflowers, play some bug trivia and learn more about the bugs and the wildlife that rely on native plants. We'll also be giving away some wildflowers for you to plant in your own garden! Events run rain or shine from 10 - 2 pm.	6/22/2019	10:00 AM	Unnamed Road	Edmonton	AB	T6R 0R8	For more information please see Events at www.RootforTrees.ca		
	On June 15th in Edmonton AB Canada, The Edmonton Valley Zoo Development Society's fundraiser: ZooFest will include a visit from a returning guest: Queen Leafcutter and the Crown Pupae: New Bee.							https://www.buildingourzoo.co m/contact-vzds/		
New Bee at ZooFest	This stilt walking character is designed and played by International Street Performer's Mariann Rose Sinkovics.	6/15/2019	7:00 PM	113 Ave NW	Edmonton	AB	T5M 0R4	https://edmontonstreetfest.com/		
AECC Pollinator Potluck	Employees at Arkansas Electric Cooperative Corporation will bring pollinator-dependent dishes to share at a potluck and learn about the importance of pollinators. Bee/butterfly houses are to be raffled off	6/21/2019	11:30 PM	1 81st St	Little Rock	AR	72209			
	i i							Register here by June 7:		
A/E/C Cross Pollinator Mixer	Join BILD, AIA, and ASLA for an evening mixer at Tohono Chul on Tuesday, June 18, 2019 from 5:pm to 8:pm.	6/18/2019	5:00 PM	7366 N Paseo Del Norte	I Tucson	AZ	85704	https://bildaz.org/2019/05/a-e-c-cross-pollinator-mixer/

F				I		T	
Pollinator Week 2019	National Pollinator Week is a time to celebrate pollinators and spread the word about what you can do to protect them.  The Pollinator Partnership is proud to announce that June 17-23, 2019 has been designated National Pollinator Week.	6/17/2019	12:00 AM 423 Washington St	San Francisco	CA		Twelve years ago the U.S. Senate's unanimous approval and designation of a week in June as "National Pollinator Week" marked a necessary step toward addressing the urgent issue of declining pollinator populations. Pollinator Week has now grown into an international celebration of the valuable ecosystem services provided by bees, birds, butterflies, bats and beetles.

graveyard?  Webinar: Protecting Pollinators: Creating Habitats	Learn how to care for your yard without using toxic chemicals Tree, educational webliant:  The birds and the bees need our help. Pollinators help to feed us and make our world more beautiful, but their habitats need protecting. Backyard gardeners to big companies alike know this and some are creating strategies to safeguard these precious creatures.  Join us for a webinar on how you can protect pollinating bees, wasps, bats, and birds on various scales. You'll hear strategies that are being implemented in small to large scale gardens. You'll be informed of best practices and inspired by the work that's being done.  Educational and free, this webinar is for anyone seeking to learn more about pollinating species and ways to keep them safe. Question and answer encouraged!	4/5/2020	1:00 PM 106 Godfrey Rd W	Weston	СТ		to invoke a lively, informative,  Register online at https://attendee.gotowebinar.com/register/310484311436801

Webinar: Promoting Pollinators Through Landscape Architecture: Strategies to Improve Habital Value & Landscape Performance	This American Society of Landscape Architects (ASLA) Online Learning webinar offers attendees 1.0 professional development hour (PDH). Pollinators are an imperative part of biodiversity and also vital to our well-being by contributing to one-third of global food production. Their populations and habitats are sharply declining. This presentation explores how pollinators can be supported at multiple scales by the collective effort between conservation ecologists and landscape architects. Join us to learn about the importance of understanding your ecoregion, ways to identify research opportunities, and how to develop the adesign strategy that includes foraging resources, safe locations, and materials shelter/nesting sites (or host plants for butterflies and moths—Lepidoptera).	6/18/2019	2:00 PM 636 I St NW	Washington	DC	Register online at https://learn.asla.org/asla/onlin 20001 eevents

Annual All About Pollinators at Tomoka State Park	from 10:00am-2:00pm! Exhibitors will have displays in our recreation hall climate-controlled facility that include: Halifax River Audubon, Ormond Beach Environmental Discovery Center (EDC), City of Ormond Beach Community Gardens, Florida Native Plant Society - Paw Paw Chapter and local bee keeper, Jack Dunlop. There will be exhibitors, displays, native plants will be for sale and more.  At 11 a.m., see Paul Rebmann (a Florida Master Naturalist and photographer from Ormond-by-the-Sea) present "Wildflowers of Volusia County."  Beekeeper, Jack Dunlop will be on hand with his beekeeping equipment and sharing knowledge of bees and their importance in our overall environment.  Federal Master Bird Bander, Meret Wilson will also be on hand for more birding information on migrations and her banding stations at the park.  Children of all ages will enjoy hands-on activities and free giveaways.  Please join us for the first of a three part series discussing pollinators, the role they play in our gardens and food systems, and what we can all do to protect them. Most of us are aware of a current "pollinator for the first for the park in the park of the them.	6/15/2019	10:00 AM	2099 N Beach St	Ormond Beach	FL	32174	Go to https://www.floridastateparks.org/parks-and-trails/tomokastate-park to learn more about our beautiful park and all it has to offer.
Pollinator Discussion @ The	In these talks we will discuss in more detail the real reasons for the global decline in pollinators and the actions we can take to ensure the future for pollinators. We will also discuss the fascinating natural history of bees, butterflies and flies to better understand their habitat requirements. Discussion led by Mimi Jenkins, PhD.  These talks will be held at the Sustainable Living Project, a non-profit urban farm and education center. We are located at 918 W Sligh Ave directly across from the Tampa Zoo at Lowry Park.  This event is free and open to the public. Donations are appreciated but not necessary. Please park in the Salvation Army lot directly next to							For more info, visit our facebook event page for updates https://www.facebook.com/events/433361487455512/ Contact person: Mimi Jenkins,

	fun challenge to see how many pollinator species can be documented during Pollinator Month in June. It is easy to participate by joining an event or making observations on your own using the iNaturalist app. With the iNaturalist app, you just take a picture of a pollinator (bee, butterfly, bat, etc.) or pollinator-friendly plant and the community will help identify which species it is. You can participate by exploring the nature and wildlife in Central Park West. Any observation you make will count during our event.  Park and recreation agencies from across the country will be hosting Parks for Pollinator BioBlitzes throughout the week. You can learn more about the Parks for Pollinators initiatives and which agencies are participating by visiting www.nrpa.org/parks4pollinators-bioblitz  Any interested participants should register as a volunteer at							Interested? McLane Center Pollinator Demonstration Garden Grand Opening Party	Join us for a celebration of pollinators with music, crafts, food, and tips on how you can support pollinators in your backyard! Pollinators, including insects, birds, and bats are vital to a healthy environment and are needed to pollinate a third of the food we eat. Tour our new gardens and participate in family friendly activities to get ideas for how you can encourage pollinators. A food truck from Roots Catering will be on site.	6/15/2019	10:00 AM 84 Silk Farm Rd	Concord	NH	03301	www.nhaudubon.org, Tel. 603- 224-9909, nha@nhaudubon.org
Pollinator Day!	We're celebrating and promoting pollinators at the garden center this day by hosting two educational classes and having a sale on native plants. "Why Native Plants?" At 11 am, and "Getting to Know Butterflies" at 2 pm.	6/15/2019	11:00 AM 104 Glenwild Ave	Bloomingdale	NJ	07403	The Native Plant class is Free, Though pre register if you can. Getting to know butterflies is \$15 and pre-registration is necessary. For more information, go to our website, www.glenwildgardens.com
Butterflies Bees and Pollinators - Celebrate Pollinator Week	Bees and other pollinators are declining in number. Pollinators (butterflies, bees, birds) are necessary for the health of our food crops. Join a park ranger for a hike to learn about the local pollinator life that can be found here during the summer season. A family program, remember to wear sand walking shoes and bring bug repellent. Free, call (732) 872-5970 to make a reservation.	6/22/2019	10:00 AM Hartshorne Dr	Highlands	NJ	07732	
Solitary Bees & Pollinator Education	This special Saturday program will focus on pollinators and their importance in the ecoysystem - as well as the perils they face. Endangered and Nongame Species Program biologist Rob Somes will conduct the program. Attendees can participate in a "bee house" building activity following the presentation. Sponsored by the Mansfield Twp. Environmental Commission.	6/22/2019	11:00 AM 605 Pequest Rd	Oxford	NJ	07863	NOTE: The facility will remain closed and only program registrants will be admitted.
Pollinators, Food, and Climate Change	We invite you to celebrate Pollinator Week with Judith Robinson, a Princeton-based garden designer (www.ourworldourchoices.com) who works extensively with native plants. In this workshop, Judith will explain how pollinators, food, and climate change are linked and what actions you can take, right in your own backyard, to have a positive impact on protecting pollinators while producing healthful food. A resource handout will be available.	6/18/2019	7:00 PM 360 Nassau St	Princeton	NJ		Register on Eventbrite or at Whole Earth Center 609-924-7429 www.wholweearthcenter.com
Pollinator Interpretive Hike	At the beautiful Longview Trail in Carson City, join us for an educational hike and learn about the important local pollinators and the plants they pollinate. Prepare for a moderate hike and meet at the parking lot at 2648 Kings Canyon Rd.	6/17/2019	5:30 PM 2648 Kings Canyon Rd	Carson City	NV	89703	Please call (775)283-7711 or visit https://www.facebook.com/CC PRDept/ for more information.
Pollinator Tot Trek	Bring your children ages 5 and under to Carson River Park for a fun, easy hike along the river! Parents can learn about the importance of pollinators and children will have fun looking for different organisms on a scavenger hunt! All ages are welcome.	6/19/2019	10:00 AM 5013 Carson River Rd	Carson City	NV	89701	Please call (775)283-7711 or visit https://www.facebook.com/CC PRDept/ for more information.
Pollinator Garden Planting	For Carson City's final event of Pollinator Week, join us at the Greenhouse Project's Foothill Garden to help us plant in the Pollinator Garden! Learn about the importance of planting for bees, butterflies, and other local pollinators in addition to what the Foothill Garden is doing to promote the health of the environment and its inhabitants.	6/22/2019	9:00 AM 1535 Medical Pkwy	Carson City	NV	89703	Please call (775)283-7711 or visit https://www.facebook.com/CC PRDept/ for more information.

2nd Annual Pollinator Festival	The 2nd Annual Pollinator Festival is from 10 am to 4 pm on Saturday, June 22nd at Dancing Oaks Nursery and Gardens outside Monmouth. The Festival features educational activities for kids and adults including garden walks, materials and instruction for creating your own mason bee nest, and MORE. Experts from area non-profit and governmental organizations will present information and answer questions about pollinators and gardening. Food and drink vendors will also be on site from 11 a.m. to 4 p.m. We'll offer discounted pollinator plants, too!	6/22/2019		17900 Priem Rd	Monmouth	OR		For details, visit www.dancingoaks.com/PF
	Join WREN and the BLM in this special, family-friendly event to celebrate national pollinator week. Learn about the importance of Oregon's native bees and butterflies, go on a pollinator walk with bug nets or a short hike along a restored prairie, and help paint a mural of our native flora and pollinators in West Eugene Wetlands. Participants will take home a poster about endangered pollinators and a solitary bee nesting tube with instructions about how to build a bee hotel.  Light snacks and refreshments will be provided.  Event will be hosted at the West Eugene Wetlands Partnership office (10 AM- 12 PM)

Hellam Township Pollinators Festival  Learning about Pollinators for Elemenary and Middleschoolers	Hellam Township in York County, PA will hold a Pollinators Festival on June 22, 2019 in celebration of the 2019 Pollinators Week. The festival will include presentations and displays promoting the value of pollinators. It will be held at Flinchbaughs Orchard 110 Ducktown Rd. Hellam, PA 17406 www.flinchbaughsorchard.com  Introduction of Elementary and Middleschoolers to native pollinators and why they are important to us	6/22/2019 12:00 AM		101-611 Kensington Ct  North Kingstown Free Library, 100 Boone St	York  North Kingstown	PA RI		Contact Bill Sprenkle williamsprenkle@yahoo.com Call Tim Cranston, NK Water Quality Specialist at 401-268- 1522 or Harriet Powell at 401- 294-47375

Pollinator Week Facebook Treasure Hunt	Clues and rules will be posted on June 17 to the department's Facebook page at www.Facebook.com/jcparkstn The weeklong hunt will focus on all things pollinating in celebration of Pollinator Week.	6/17/2019	9:00 AM		Johnson City	TN		Complete rules and clues will be posted to www.facebook.com/jcparkstn on June 17. This is a city wide treasures hunt. A total of five treasures will be hidden at five different city parks. A list of all of our parks can be found on our "Parks and Facilities" page at www.myjcparks.org. You must find all five treasures in order to win. All entries must be turned in by June 24. Please contact 423-434-5757 for more info. Happy Hunting!
	The increasing awareness about the decline in pollinators has led non-beekeepers to ask what they can do - this presentation will cover the value of pollinators and how to support them. Emphasis will be put on the importance of providing forage and habitat for different types of pollinators (honey bees, native bees, butterflies, etc.) and how to protect them once they are part of the landscape. The direct and indirect impacts of human behavior and management practices in pollinator populations will be discussed so attendees will gain practical insight as to how to have more positive effects on pollinators. Following the lecture presentation, participants can taste some varieties of honey and/or take a walk through the UT gardens. Saturday, June 15th 1:00-2:15pm							https://ag.tennessee.edu/utg/P
The Power of Pollinators	Free to UT Garden members, \$10 for nonmembers	6/15/2019	1:00 PM 25	518 Jacob Dr	Knoxville	TN	37996	ages/Workshops.aspx
Pollinator Week & Field Day for Honey Bees	MTSU Student Bee Club will be hosting a Field Day on Saturday, June 22 at the MTSU Farm Lab Apiary located in 3211 Guy James Road, Lascasses, TN. Open to the public. For more information, contact debbie.strobel@mtsu.edu. Free Registration required.  The Memphis Zoo interpreters will have a table set up at our observation bee hive with information on how you can help save	6/22/2019	10:00:00 AM 32	211 Guy James Rd	Lascassas	TN	37085	For more information, contact debbie.strobel@mtsu.edu. Info will be posted later at www.mtsu.edu/agriculture.

Diagting for Dutterflies 9	Where to begin with pollinators?  NHG's Education & Outreach Coordinator Rusty E. Allen outlines the basics of pollinators, and how to shop and combine plants to attract them. You'll learn how many, which kind, and where in this easy class with handouts, plus a few tips and more so you can provide for not just butterflies, but also for the birds and insects on which plants depend, in order for them and us to survive.							North Haven Gardens
Planting for Butterflies & Other Pollinators	Plus, we'll give you a 'plant showcase' of those that are available to plant right now to bring those all-important life givers to your garden!	6/15/2019	1:00 PM 7	700 Northaven Rd	Dallas	TX	75230	www.nhg.com 214-363-5316

Family Exploration- Pollinators	Learn about native plants and their pollinators at the Fort Worth Botanic Garden! Free family event with guided hike through the Pollinator Pathway at 10am and activities from 1-2pm in the Leonard Courtyard	6/22/2019	3299-3281 Old Garden 10:00 AM Rd	Fort Worth	TX	76107	https://www.brit.org/GROW/gro wingtogether
Habitat Work Day	Volunteers will help maintain the native plant pollinator gardens at the Environmental Institute of Houston on the University of Houston-Clear Lake campus. The event starts at 9 a.m. and ends at 11 a.m. We meet at the NOA I building near entrance 3 off of Middlebrook Dr.	6/18/2019	9:00 AM 2700 Bay Area Blvd	Houston	TX	77058	For more information, what to bring, and directions, visit: https://www.uhcl.edu/environm ental-institute/education/schoolhabitats/work-day
Grand Opening:Willow Fork Park Butterfly Garden	Please join the Katy community for the Grand Opening of the Willow Fork Butterfly Garden. After an opening ceremony, Diane Russell (Coastal Prairie Chapter, Texas Master Naturalist), will talk about creating a garden both for a place of beauty as well as a restaurant and nursery for butterflies and pollinators. We will then tour the butterfly garden and discuss the key elements you should consider in planning a backyard butterfly garden. The program will also include a discussion of the different types of plants in the garden and the roles each plant plays.  The 1-hour program starts at 9 AM at the pavilion at Willow Fork Park. Willow Fork Park is located at the northwest corner of 99/Grand Parkway and Cinco Ranch Blvd., north of Cinco Ranch High School. This is a free family—friendly activity for all ages.	6/22/2019	9:00 AM Willow Fork Park	Katy	ΤX	77494	
	annual Uvalde Honey Festival.  Friday, June 14th, will kick off the festival with The Hive Jive, a street dance on the Plaza with lawn games, a poker run, a hat competition titled "Bee in Your Bonnet," music, and drinks. Saturday morning will start with a 5k fun run from Market Plaza, down to the Honey Bowl and back. Children's event: Breakfast with the Bees will begin at 9 am inside the Opera House Annex. Breakfast, kid-friendly crafts, and a bee education microscope station set up by Dr. Kimberly Cochran with Texas A&M AgriLife for kids to learn more about pollinators will be available. Saturday will also host a bake-off, vendors from all over Texas, music, crafts, and educational booths set up by Alamo Area Beekeepers Association, Bees in the East, Texas Master Naturalists, and Comal County Beekeepers Association. At 1:30 pm, an essay competition winner will be crowned "Honey Ambassador" for Uvalde.						www.facebook.com/uvaldehon

Bumblebee Jamboree 2019	Celebrate National Pollinator Week with family-friendly activities buzzing with fun! The 8th annual Bumblebee Jamboree provides an opportunity for children to better understand the role pollinators play and what each of us can do in our own backyard to protect natural resources. Families are invited to participate in hands-on experiences at this free event that encourages kids to learn about birds, butterflies, bees, beetles, and bats. Children will enjoy pollinator-related crafts, puppet shows, snacks, games, and other interactive activities. They can get close to pollinators by going into the Virginia butterfly safari tents as well as watching enclosed observation beehives.	6/22/2019	10:30 AM 10	000 Spottswood Rd	Richmond	VA	23220	Free admission. This event is hosted by the Chesterfield County office of the Virginia Cooperative Extension and Chesterfield County Master Gardeners. For more information, call (804) 751-4401 or visit bit.ly/bbj2019.
Swarm Against Bayer/Monsanto	Swarm with Us Saturday, May 18. Protecting pollinators is as important as ever this year. Join us for our fifth annual Swarm Against Bayer-Monsanto. We need about 36 people to spell out SWARM AGAINST BAYER/MONSANTO — BAN NEONICOTINOIDS. South Whidbey Tilth and Whidbees (Whidbey Beekkeepers Association) collaborate to raise awareness about chemical effects on bees, such as neonicotinoids, imidacloprid and clothianidin.	5/18/2019	12:00 PM W	/A-525 &, Bayview Rd	Langley	WA	98260	Plan to arrive by 11 a.m. to select a letter and prop such as caution-tape banner, antennae, yellow knee pads
Pollinator Day at the Farm	Join us for an afternoon at the Rainier Beach Urban Farm and Wetlands to celebrate and learn about pollinators. From 1-3 p.m help us plant pollinator plants into our hillside garden then participate in educational and fun activities centered on pollinator information. Sponsored by the Garden Hotline, Tilth Alliance, Alleycat Acres, the Common Acre and City Fruit.	6/19/2019	1:00 PM 55	513 S Cloverdale St	Seattle	WA	98118	Please email lauramatter@tilthalliance.org for more information or to get involved.
Lawrence University Bee Campus USA	We will be unveiling our green roof observation honeybee hive followed by a pollinator themed picnic on the Lawrence campus green!	6/22/2019	10:00 AM 7	11 E John St	Appleton	WI	54911	
Pollinator Punch Garden Party	National Pollinator Week Celebration in the CFMIT Pollinator Garden. Join us for a bake sale, punch and lemonade, and enjoy the outdoors, downtown in our special Pollinator Wayside.  a simple, free activity will be available for the kiddo's and we all can celebrate and support Pollinators and the Industry and Technology Musuem.	6/18/2019	4:00 PM 2 <sup>-</sup>	1 E Grand Ave	Chippewa Falls	WI	54729	https://www.facebook.com/eve nts/390634051536511/ Coordinator.cfmit@gmail.com
	We will observe a variety of butterflies as they take nectar from wildflowers, and learn about their identification, behavior, and lifestyle. Bring binoculars if you have them—close-focusing ones work best; we will have a few extras available. Long pants and a hat are recommended.
