

Support for Landowners

- Pollinator Partnership is working with NRCS to provide pollinator related support through Partner Biologists.
- Partner Biologists work in joint capacity with NRCS to promote, coordinate, and implement conservation efforts that relate to pollinator conservation on private lands.
- Currently we have 5 Partner Biologists – Western, Midwestern, and Northeastern United States.

Partner Biologists

Mary Welz

Indiana Partner Biologist

Isabel Nazarian

Midwest Regional Partner Biologist

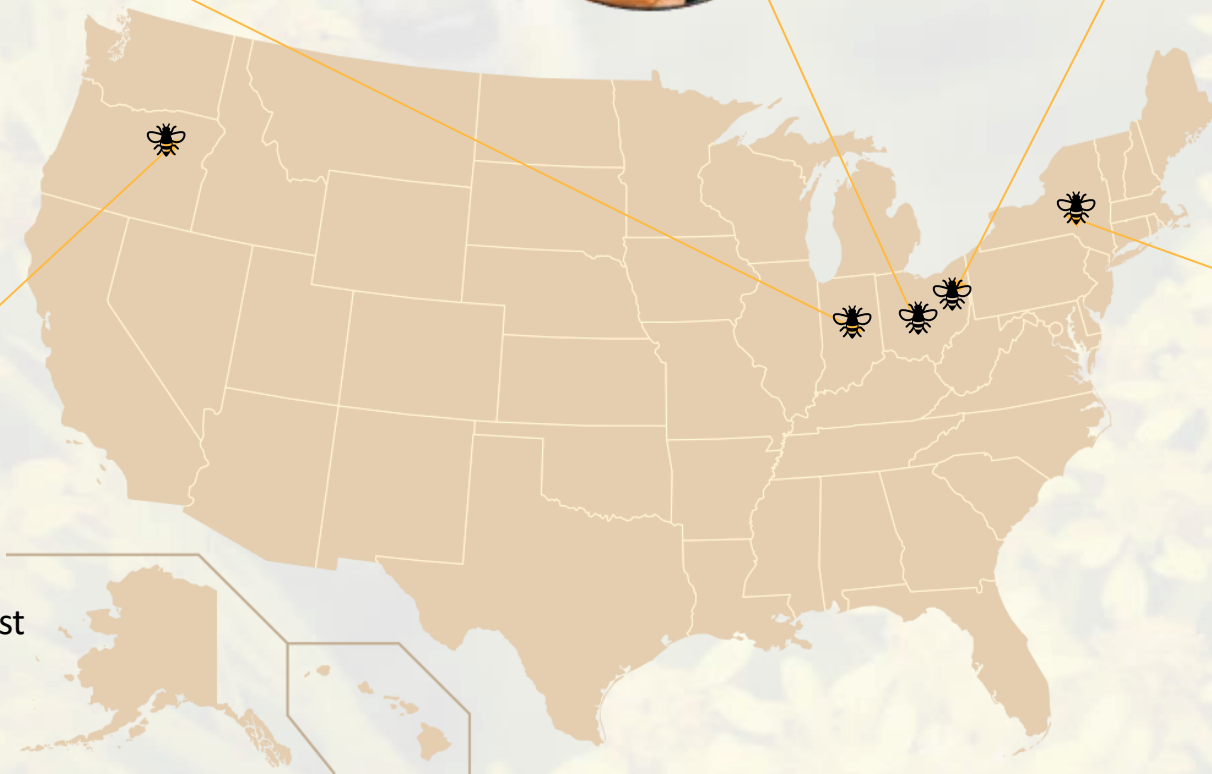

Sophia Sorboro

Ohio Partner Biologist

Sarah Gardner

Western Regional Partner Biologist

Lacey Smith

Northeast Regional Partner Biologist

Ready to Create Habitat with NRCS? Contact Us for Help!
